

FOR CHEF ALEX TRIM · NAPLES, FLORIDA

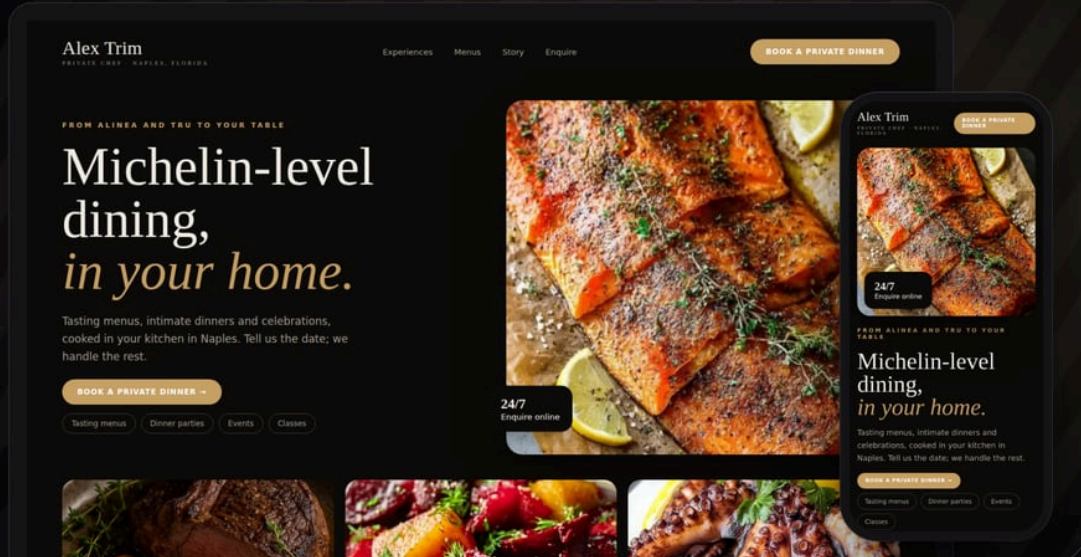

A proposal for *Chef Alex Trim.*

A home for your private dining: menus, experiences and bookings, built to the standard of your food.

CONCEPT FOR ALEX TRIM

What *Alex Trim* could look like online.

ZEBRAISH STUDIO

WHAT WE SEE TODAY

Hi Alex.

Right now, people find you on Instagram, where hundreds of thousands follow your cooking.

But when someone in Naples wants to book you for a dinner, there's nowhere to send them: no menus to browse, no experiences to compare, just a DM or an email address.

A site of your own turns that audience into bookings, and gives brands like Mowi and Kikuichi one place to see everything you do.
