A proposal for *Lavishleestyled*.

Your own booking site: every style, every price, one tap to book.

CONCEPT FOR LAVISHLEESTYLED

What *Lavishleestyled* could look like online.

ZEBRAISH STUDIO

WHAT WE SEE TODAY

Hi there.

Right now, clients find you on Instagram, where over 20,000 people follow your work.

Booking means a DM, a call or your Yelp page, and every new client asks the same questions about styles, prices and hair.

A site of your own answers all of that up front and lets clients book a slot straight away, under your name.
